Hope for Parkinson's A Conversation with Leading Inova Movement Disorders Specialists

Wednesday, October 12th, 6pm - 7pm EDT

Join Kensington Senior Living and leading Inova Movement Disorders Specialists, Dr. Drew Falconer, Dr. Sean Rogers, and Dr. Hannah Walters, for an engaging discussion about the future of Parkinson's Disease. Our experts will discuss everything from **daily exercises to cutting edge research and new treatment options**. While a diagnosis and the journey that follows is no easy feat, there is hope for improved quality of life for those with Parkinson's and their care partners.

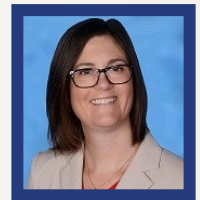

At Kensington Senior Living, our promise is to love and care for your family as we do our own. Our expert team specializes in caring for those with movement disorders such as Parkinson's Disease. We are committed to improving the quality of life for seniors as well as the caregivers who love them. **RSVP Today and have your questions ready!**
