**Philosophy of care statement:**

“What brought me to Geriatrics is my passion to care for every patient in their unique circumstances while considering their life story and aspirations. I want to listen to your story and struggles, address your needs holistically, and build a long-lasting relationship focused on what matters to you and your loved ones. I look forward to learning about the wisdom you’ve accumulated over the years and to offering my medical expertise for you to enjoy this phase in your life. I am grateful for your trust in our team.”
